

2024 Property Revaluation Assessment

In compliance with State statutes, Springfield must undergo its first revaluation since 2007. Beginning in August 2024, the Town's assessor AAC (Associated Appraisal Consultants, Inc) will begin conducting **town-wide exterior only revaluations** for residential properties; *access to the interior of your home **is not** requested*. An optional questionnaire will be mailed to residence owners to provide relevant information about their residence to the assessor for consideration.

The Trespass Law in Wisconsin entitles the assessor to enter a property once during an assessment cycle unless the property owner has notified the assessor in advance to deny entry. Additional visits may be authorized by the property owner. Assessors are restricted to the following conditions when entering property:

1. The reason for the entry must be to make an assessment on behalf of the state or a political subdivision.
2. The entry must be on a weekday during daylight hours, or at another time as agreed upon with the property owner.
3. The assessor's visit must not be more than one hour.
4. The assessor must not open doors, enter through open doors, or look into windows of structures.
5. If the property owner or occupant is not present, the assessor must leave a notice on the principal building providing the owner with information on how to contact them.
6. The assessor may not enter the premises if they have received a notice from the property owner or occupant denying them entry.
7. The assessor must leave if the property owner or occupant asks them to leave.

In 2009, Wisconsin Act 68 was enacted to amend Section 70.05(5)(b) Wis. Stats. and to create Section 70.05 (4m), 895, 488, 943.13 (4m)(d) and 943.15(1m) of the statutes; relating to: partially exempting an assessor and an assessor's staff from liability for trespassing, creating immunity from civil liability, and changing the notice requirements relating to the revaluation of property by an assessor.

Copies of the applicable statutes can be obtained at public depositories throughout the State of Wisconsin, and from the State of Wisconsin Legislative Reference Bureau website (www.legis.state.wi.us/rsb/stats.html)
